Building Connection, Culture & Real-World Skill

A flexible, culturally grounded education model for **young people aged 14 -17** who have disengaged from traditional schooling. We focus on healing before learning, building trust, and creating pathways for success.

- ✓ Re-engage with education or training
- ✓ Build job-ready skills
- ✓ Find employment opportunities
- ✓ Create connections that matter

Your Journey Your Way

S2S partners with young people, families, schools, community organisations, and cultural leaders to create real, lasting change.
